

Staff Governor
Mrs C Oliver

I am the School's Business Manager and the governor who has responsibility for liaising between the staff of the school and the governing body. I sit on the school's 'Self-evaluation and Development' committee where we discuss how well the school is performing and make plans for how to improve in the future. It is very interesting work.

I am also the Attendance Governor and together with the Pastoral Support Manager, Mrs Billingham, work very hard to make sure that our attendance is at least at the National average. This is a big responsibility as children can only reach their potential if they attend school regularly. I want every child to have the opportunity to be the best they can be.

I am usually the first person that people meet when they visit our school and can be easily recognised by my welcoming smile.
